

Presentation Skills for Senior Managers

Overview

This programme is specifically designed to equip senior managers with exceptional presentation, briefing and selling techniques. By modelling the very best presentation, communication and influencing strategies, managers are able to rapidly develop confidence and advanced skills to apply in their own presentation situations.

This programme takes a holistic and refreshing approach to presentations in a range of contexts – to the board, to their reports and to clients and other stakeholders. It does so by focusing primarily on how to construct and deliver a compelling message which ultimately builds credibility and relationships and delivers results.

Objectives

- For each delegate to understand the purpose and use of modelling presentation skills.
- For each delegate to be comfortable identifying and working with their audiences' maps of the world.
- For each delegate to be able to build rapport with others, quickly and easily.
- For each delegate to be confident identifying and working with their audiences' meta programmes.
- For each delegate to understand the psychology of persuasion and its use in presentation and sales situations.
- For each delegate to be able to structure and deliver a powerful, convincing message.
